DuPont™ Tyvek®

ENVELOPES IN AN E-COMMERCE WORLD

In a world of online ordering and technology, how is an envelope relevant? Let's start by saying the words... packaging and shipping solution! Why ship in a heavy, corrugated box when you have a lightweight, water resistant option? As a bonus, it can be printed full coverage to continue your brand equity.

When you choose a DuPont™ Tyvek® packaging envelope, you receive the following benefits:

- Up to a 5" Expansion
- Classy and Lightweight Material for Postage Savings
- Water and Moisture Resistant
- Tear and Puncture Resistant
- Secure Seal
- Full Color Branding Opportunity
