

## ENVELOPES IN AN E-COMMERCE WORLD

In the world of online ordering and technology, how is an envelope relevant? Let's start by saying the words... packaging and shipping solution! Why ship in a heavy, corrugated box when you have a lightweight, water-resistant option? As a bonus, it can be printed full coverage to continue your brand equity.

**When you choose a DuPont™ Tyvek® packaging envelope, you receive the following benefits:**

- Up to a 5" Expansion
- Classy and Lightweight Material for Postage Savings
- Water and Moisture Resistant
- Tear and Puncture Resistant
- Secure Seal
- Full Color Branding Opportunity

To have a catalog or sample kit shipped the same day, please provide your name, address, phone number, and email address to:

We stock and custom make envelopes as small as 2-1/4" x 3-1/2" DuPont™ Tyvek® credit card size for gift cards, and up to a 12" x 16" x 5" shipping solution envelope.
